

## RESIDENCE REPORT

In Krems

Between the 2nd and 31st October 08

I had:

Set up in 3days « nocturnes électriques » in the museum near the church  
Do some repetition with the new version of this toy  
Play two days 6 set (the 10 and 11) for the kontraste festival  
Play the last for two guys I have met in the street on Sunday morning  
Unset up this machine slowly in two days  
Start to play electric bass in the church everyday on the morning  
Start to work on a new plastic project the title will be « Lands »  
Make some drawings days and nights,  
Built a models in a 10th of scale  
Think about a lot... always  
Cook some vegetables in my flat  
Sleep a lot  
Swim at the swimming-pool of Krems  
Take time in the sauna  
Drink some wine  
Play bass again and make some records  
Built again the model of my new project  
Lesson Chopin in my room later at night  
Speak with different people in different bars of Krems  
A dinners with my neighbours  
a nice time in Vienna  
Meet some new people  
Dance until late at night in a « has-been » dancing in Vienna  
Drink some whiskey  
Always play bass in the church  
Always drawing for a new project  
Participate for the « opening studio » in Krems  
Speak with some gesture to the cleaning woman  
Pass a lot of time at phone with my girl-friend and friends  
Speak with Jo and other artistes and musicians  
Play bass again in the church  
Built again this tiny models in the crypt of the church  
Make some record of my voice in this same crypt

It was nice to have time and place for working everyday what I need, music and sound machine.

Thanks a lot, it was GREAT!!

Arnaud Paquotte
