Born in 1985 in Kratovo, Macedonia. Graduated from the NBU in Sofia, Bulgaria in 2007 – visual art/film directing. MA grad student 2010 at the Institute for Sociological, Political and Juridical Reseraches in Skopje, Macedonia.

As an artist, she works with minimal expression, “low-fi” rough touch - either in video, either in graphics. Personally, she is in interested in topics like nationalisms, gender issues and minorities. On the other hand, she is involved with topics like decentralization and demonopolizaton, especially in the fields of education and culture. Currently she is enrolled in the **Deschooling Classroom** project – a project which promotes collective self-education in arts and culture.
