(Here you can find some more photos)

*The concert was held cause of co-player's aspires.

Noid and Billy had met with Taku already several times in Japan, when they had own Tour there. Since then Taku's performance was unforgettable for these artists.

The concert on this day was outstanding, fascinated full of audiences of the event. Surely it was the best act of the day.

Thursday 28 April 2011.
