

biography

Ku Su Jung was majoring HAE-GUM(Korean Traditional Fiddle) on EWha Womans University and master course. And now, she is studying D.M.A course. She had gained Experience Music in String Ensemble CHOCOLATE, Korean Traditional Musical Theater TAROO. and had some HAE-GUM recitals for Korean traditional music.

Su Jung had been worked in various fields of activity such as movement, creative music, writer, green activist. We could find that her various activity was showing through her music.

Also on her stage, She is aimed at playing music, sing a song, dancing together. (it's one of the Korean traditional theory.) So she thought that the TRADITION is not the past form, is the futuristic progressive form.

Su Jung has maintained from ARKO(Arts Council Korea) until 2012, because she is selected as Arko Young Art Frontier. The result, it was born that her 1st environment project : MOTHER'S TREE which had combined Korean traditional music, movement and video. it had been premiered from 26th to 27th, Dec, 2011 on Welcomm Theater, Seoul.
