Biography Information

I was born in Tehran-Iran on August/29/1972.

As a professional artist, I am a self-built painter who commenced painting at the age of 16, continued my study in theater but left the university in the middle and started my career as a professional painter.

I have been holding my private exhibitions (solo and group) since 2004.

Education

Major: Theatre 1993-1996

Azad University

I have been thought under Mr. Behrouz Moslemian supervision as a well-known painting professor in Tehran University of Iran and private institutes, since 2007.
